18 Should you wish to provide details of any initiatives that you feel are particularly outstanding, or that have resulted in improved gender equality outcomes in your workplace, please enter this information below. (Please note that any information you provide here will appear in your public report)

Gender equality is one of our key areas of focus as highlighted in Transurban's Diversity policy. Transurban has a Gender Diversity Sub-Committee. This committee reports to the Transurban Diversity Group, of which the CEO is Chair. Transurban has received 'green' rating for the Women on Boards Traffic Light Index for the past three years, demonstrating commitment to this area. The results of the 2014 pay equity analysis shows that there is no material difference in remuneration for males and females who are performing work of equal or comparable value. The data shows that there have been improvements in pay equity over the last three years to achieve these results.
